

## Crossway in the Park

One of the privileges and responsibilities of God's people is to "make known among the nations what God has done." (Psalm 105:1) **It brings us joy to share this Good News with other people!**

**On Sunday, July 13, we will have our worship service at Lake Lansing South Park,** combined with a picnic and multiple baptisms in Lake Lansing. It will be a great celebration and we delight in good things that God has done for us!

And having our Sunday worship gathering at a park gives us **the special opportunity to state publicly how good God is!** We are

excited about our church community, and we have been wondering how we might share it with others.

And many of us have friends who would find coming to a church building a bit uncomfortable. **So this is a great opportunity to invite friends and neighbors!** The

park is fully accessible to make it easy for anyone to join us. We hope and pray that this is an opportunity to help others experience what is so valuable to us.

We will have **our worship service around 10am** in the bandshell. **We'll celebrate some baptisms in the lake.** We'll also have a **picnic together** in one of the pavilions. (We will grill meat, and we invite people to bring dishes to share.)

### **Would you be willing to help us plan this time?**

We are looking for a team of people to think about this opportunity and what we might do to make it compelling for others. Please be in touch with Pastor John at [johnbell@crosswaymchurch.org](mailto:johnbell@crosswaymchurch.org).

### **Would you pray and invite friends and colleagues to join us?**
